

## Sidesmen's Report for the APCM 2023

Thank you very much to all the sidesmen who have continued to work hard during the past year. They have helped the services to run more smoothly by distributing the service sheets and hymn books to everyone arriving at the church and by greeting the church family and any newcomers. A friendly welcome is very important.

Over the last few years our numbers have decreased and it can be difficult to find enough people to be on duty at every service. It would be lovely if we could have more people to volunteer in this role. Please get in touch with me if you would like to help in this way.

Finally I would like to thank Sheila Sayers who has been a sidesman for many years and has recently decided to step down.
