

Open Forum – future of Music in Worship at St Michael's.

Monday 19 April 2021 on Zoom

ID: 846 662 9590; Passcode: 834900

Some discussion questions:

1. Lockdown Worship and Music:

What has been of blessing in these hard times?

What has stifled faith and worship?

What have we missed from previous experience of music and worship?

2. Going Forwards:

Have there been lessons learned and gifts discovered?

What old treasures might be restored,
perhaps in a new way?

3. Appointing a Director of Music:

Has our discussion given any pointers for the nature of this role in 2021- ?

Any suggestions for PCC to consider, in framing ongoing process?
