

Secretary's Parochial Church Council Report for 2025-26

The PCC has held 5 full meetings during 2025/2026 in July, September and November 2025 and February and April 2026. During meetings the PCC members discuss all aspects of church life and vote on proposed resolutions. The substance of PCC discussions touches on all the various reports considered at this meeting. Members of the congregation are welcome to bring any matters of concern at any time to our PCC lay representatives, or to volunteer to be a member of a particular group or committee. Currently the formal sub-committees of the PCC are the Finance Committee, the Charities Support Group and the Worship and Music Group.

Thank you to all members for their service on the PCC and for the prayers upholding these meetings.
