

Knitting Workshop - News from the Craft Group

Each year the church Travelling Crib makes its way around the parish. One of the small woollen sheep remains with each hosting household. These return to the fold at church, usually at our Crib Service on Christmas Eve afternoon. Sometimes a sheep goes astray and doesn't make it back to the shepherd and his flock.

St Michael's Craft Group and friends joined a knitting workshop run by Heather, a talented designer amongst our congregation. Heather had come up with an easy-to-follow pattern, even for the less able knitters amongst us, to replace the lost sheep. Nine of us got together on an October Monday morning and knitted the sheep under Heather's guidance. Of course there was plenty of the usual chatter, cuppas, cake and biscuits as well.

The pattern is available to use if anyone else wants to contribute.

St Michael's Craft Group meets fortnightly on Monday mornings from 10am, in our Windhill Churches Centre. All welcome! We might bring along our own current crafting hobby and sometimes one of the group shares a craft. We usually prepare items for sale at the annual St Michael's Church Holly Fair.
